Plaintiff still Relies on his legal correspondance sent to this Court by the

Plaintiff dated 12-31-2018 was Plaintiff

August 30, 2019. It appears to  
Plaintiff that Plaintiff Attorney's wanted  
out of Plaintiff claim / case and used whatever  
fact they could to get out of Plaintiff  
case. I the Plaintiff advised Plaintiff  
Attorneys Gary Schafkopf, Esq that the

committed by defendant Mark Miller, Esq  
occurred in September of 2011 over 3 years  
prior to me filing for my Social Security

Social Security (SSDI) in Nov. of 2014 and  
or Feb. of 2015, 100% fully related to  
one and three of Plaintiff's issues of facts; my

As Plaintiff Ronnie Morton believes to the Courts Attention.

I Plaintiff Ronnie Morton believes that my Attorney's were already seeking means to withdraw from my legal malpractice claim by filing Withdrawal motions and then used the reason of defendant Mark Molz seeking to get me to sign a consent authorization to allow defendant Mark Molz, Esq to obtain specific documents from my current pending Social Security (SSI) disability appeal which my attorney's believed that Mark Molz were seeking to obtain the specific info to jeopardize my current pending Social Security (SSI) federal appeal that's been pending for almost 5 years - 60 months. Thank you Ronnie Morton
